2. Our School

2.1 School Background

On September 1st 2007, Po Leung Kuk, with the co-operation of the NCE Past Students' Association, opened its second DSS School in Kowloon with two P.1 classes. Since September 1st 2008, this school, originally known as "Po Leung Kuk NCE Past Students' Association Primary School" that was renamed in honour of the school donor, Dr. LAM Man Chan, the vice Chairman of Po Leung Kuk, in the Dedication Ceremony on October 14th 2008. The school was named "Po Leung Kuk Lam Man Chan English Primary School". It is a whole day DSS co-educational English primary school which will eventually have 24 classes. The school started with two P.1 classes in 2007 and has developed to 23 classes in 2013-14, i.e., four classes for P.1-4, three classes for P.5 and P.6.

2.2 School Motto: "Love, Respect, Diligence and Integrity"

2.3 School Vision:

Po Leung Kuk Lam Man Chan English Primary School is the second home of all LMCites. Students come from different countries around the world who speak different languages with different cultures.

One Team

We emphasize our firm belief that "We are one big family, One team, One mind". We show our talent and love in each corner of our second home.

One Mind

We emphasize the concept of thinking as "We" by putting ourselves into each others' shoes. We can learn how to treat others as well as ourselves. We create an atmosphere of care and respect!

2.4 Core Value of Education

L for Language

Our students are in 24 nationalities, we have native English and native Putonghua speaking teachers to teach and share with students in order to maximize the use of languages.

- LMCites of different races and accents all learn Chinese and English
- Have around 50% of lessons are for language subjects
- Study in a language rich environment
- Promote language arts, e.g. Drama and Speech Festivals
- Provide abundant opportunities to show talents in all kinds of language activities

M for Moral

We come from different parts of the world. We expose to different cultures and learn to act locally and think globally in our growth. LMCites celebrate festivals of different countries.

- Parents join our daily morning assembly
- Moral talks and the Whole Person Development (WPD) lessons cultivate magnificent morality
- 6-year leadership training are arranged to LMCites
- Cross-boundary learning activities are held

C for Control

We emphasize the multiple intelligence of creative arts, music and physical education as well as academic aspects. We promote extra-curricular activities, such as Art alive, ice-hockey, soccer, roller-skating, acappella and so forth. In addition, we also have multiple intelligence classes, like English Debate, Student ambassador, cubs scout, etc.

- Thematic learning in Physical Education: basketball, gymnastics, roller skating, soccer, ice hockey and so on.
- Immersion programme in Germany, Singapore, USA, England, Shanghai, Wuhan, Xian, Beijing, etc.
- Community Service in kindergartens and elderly homes
- Welcome guests from all over the world

3. Achievements and Reflection of Major Concerns

3.1 Priority Task 1: Enhance students' learning performance

Achievements

- 3.1.1 Our school organized an *JOIA Art Exhibition* on 10-13th April 2014 for promoting our school's vision through Visual Arts displaying in City Hall. 75% of learning achievements of students. The number of visitors around is 2,037. 82 teaching and non-teaching staffs, 35 parents and 40 students as volunteers who engaged in this fantastic function with enthusiasm. The feedbacks from both visitors and parents are very positive and encouraging. It definitely was an opportunity for visitors to know more about our school's vision. In this year, we have joined the EDB Primary School Students' Creative Visual Arts Work, "Art at school", etc. The school has been awarded the Hong Kong Arts Development Awards 2013 and the champion of "Let's Colour-Adding Colors to my schools' Scheme" (Primary School Group).
- 3.1.2 Our school put emphasis in the pre-lesson preparation and self-study tasks for students. Students make good use of the pre-lesson preparation books, such as task-based learning, vocabulary building, mind-mapping, self-designed questions for enhancing students' self-learning skills and also oral presentation skills. In the professional development of teachers', pre-lesson preparation, lesson observation by experienced tutors and post-lesson discussion enhanced teacher-reflective learning. Our middle managers took courses and attend seminars to learn more about school management, such as knowledge management organized by HKIEd.
- 3.1.3 Subjects provided different IT learning platforms for students and pre-lesson preparation exercises have been designed for self-learning and encouraging students to prepare before lessons. 88.7% students agreed that the teachers often provide them with guidance in learning strategies, such as doing pre-lesson preparation, using concept maps, tool books and online resources.
- 3.1.4 Our school joined the "Teaching Partnership Scheme" with HKIEd and CUHK. The scheme arranged student teachers to have teaching practice in our school. It enables both experienced teachers and students teachers to learn from each other about the trend of teaching methods.
- 3.1.5 With particular respect to non-Chinese speaking students, the school sought a solid foundation for their Chinese learning. In the past year, the school participated the "EDB Teaching Support and School-based Curriculum Development: 2013-14 Chinese support" which aims to reconstruct the Basic Chinese curriculum for improving the Chinese level of Non-Chinese students. For the further development of our schools' Basic Chinese curriculum for P.3 and P.5

non-Chinese speaking students, we worked in collaboration with HKIED to enhance the building of the curriculum and syllabus.

- 3.1.6 In this academic year, P.2 Maths teachers participated in the EDB Maths School-based Support Services and they had collaborative meetings with a EDB consultant in every month in compiling school-based learning materials with teachers such as word problem solving strategies. 80% of teacher participants agreed that the scheme could facilitate teachers' collaborative learning. From the students' questionnaire results, 86% of the P.2 students have more confidence in learning Math. 80% of the students think drawing diagrams can help them to solve word problems and over 90% of the students enjoy Maths lessons and the average marks of exam was increased by 11.8%.
- 3.1.7 Three renewed reading award booklets were provided to the students to increase their interest in reading. With different theme in each month, in this year, 129 students won the awards: 89 gold, 15 silver and 25 bronze medals. Besides, the native English and Putonghua speaking teachers shared stories or reading websites with parents and students in the morning assemblies regularly. Students were also invited to promote their favorite books with other students for enhancing presentation skills. 94.3%, 90.2% and 94.1% of teachers agreed that the reading award scheme can enhance students' knowledge and skills, can arouse students' interest in reading and were generally satisfied with the scheme respectively. We recruited 15 Parent Story Tellers to share reading with junior form students. We organized two book fairs and joined many schemes with the HK Public Library and secondary schools such as bookmarks design competition and book cover design competitions. In this year, the theme of reading is "Water, the earth and me", students borrowed 160 books from public libraries. The school library provided support to Visual Arts, Chinese and GS subjects as cross-curriculum. There are totally 7216 books were borrowed by students during the 1st term while 7541 books were borrowed during the 2nd term. Students borrowed 350 books from the public library. Three students won the Overall Winner, Most Promising Writer and Most Promising Illustrator in Writing for a Cause Competition and three students awarded champion, outstanding and merit award for the Fun Fun Reading Book Cover Design Competitions.
- 3.1.8 To strengthen students' learning interest in Putonghua (PTH), we promote Putonghua Learning by trained Chinese and Non-Chinese speaking students in the morning assemblies. The types of performance include drama, choral speaking, singing, riddles guessing, etc. We encouraged students to join PTH public exams, GPSK, to improve their PTH level by organizing training courses at school campus.

- 3.1.9 Project learning is also implemented for enhancing students' presentation skills and self-learning skills in P4 accomplished with the topic "Source of Life: Water" in order to foster students' water conservation awareness. Some integrated units arranged, which connect with P.4 IT, English, Maths, GS and VA. Water Centre Visits activities were arranged. Students had group presentation with the help of block graphs. The activities enhanced students' presentation skill, self-learning skills and awareness of water resources protection. Beside, the above topic was under the knowledge management project by HKIED.
- 3.1.10 We provided students with a rich learning experience by providing totally 55 ECA classes and 19 types of school teams, such as language, musical and arts classes. We recruited professional tutors in exploring students' talent in joining different training. The attendance rate of ECA was over 80% and 86% parents agreed that the number of ECA was enough for students to join.
- 3.1.11 In Physical Education learning and teaching, PE teachers with professional qualifications provided students with a theme-based programme in different levels. We provided Fundamental movement, roller-skating, rope skipping, basketball, dodge ball and soccer for P1-6 students respectively.
- 3.1.12 School Sports teams were set up for cultivating students' sports potential and accumulating their experience in participation of competitions. In this academic year, our sport teams had outstanding achievement in different sports competitions. Our school teams won overall third runner-up in the PLK Affiliated Primary Schools Swimming Gala, first runner-up of Jump Rope for Heart Interschool Rope Skating Competition, the playoff champion in the Hong Kong Primary School Ice Hockey League, second runner-up in the Kowloon East Area Inter-Schools Basketball Completion (Girls), Merit in the Kowloon East Area Inter-Schools Volleyball Competition (Girls), Merit in the Kowloon East Area Inter-Schools Soccer Competition (Boys), Overall third runner-up in the Kowloon East Area Games Competition (Girls), Champion of the BOCHK HK Youth Badminton Championship and first runner-up of the HK Roller Skating Open Competition, etc.
- 3.1.13 We put emphasis to broaden students' horizon by organizing different community activities. In this year, students participated in the Love and Care Day Camp, Elderly Home Visit, Fight Crime Without Boundary Dancing Competition and PLK Charity Tickets cum Estate Fund Raising Activity and PLK Services 135th Anniversary Student Talent Show, etc.
- 3.1.14 The total number of hours of continuing professional development of teaching staff was 2,865.5 hours, an average of 58.48 hours per teacher. The school also hosted several seminars on topics like positive thinking, Hong Kong History and knowledge management.

- 3.1.15 In this year, teachers and 26 students from the Foshan Primary School visited our school in December, P.6 students were invited to have Chinese lessons with Mainland students and to let students experience the learning culture in mainland China. Furthermore, the Shenzhen OCT Primary School students joined the three days exchange programme in our school and studied with our students together. In this year, it was the first time to arrange exchange programme for Mainland elite students to foster the interaction between students with different learning backgrounds.
- 3.1.16 We have provided adequate information to parents and students on preparation for secondary school. Interview training workshops and seminars conducted by experienced principals of secondary schools and our teachers, were well prepared for P.5-6 students, preparing them for interviews and personal portfolios. To cater for students' individual differences, we organized enhancement and remedial classes for students.
- 3.1.17 Our school puts emphasis on teachers' professional development in multi-cultural education by organizing various exchange experience. In the Lunar New Year, our teaching staff joined Taiwan Cultural Tour, which aimed to gain the historical & cultural heritage and reading education spotlights of Taiwan. Also, five cross-boundary learning activities were organized for students. The destinations included Beijing, Singapore, Qingyuan and Xi An and USA. All these wonderful learning trips did not only enhanced students' understanding of the countries, they also provided favorable opportunities for students to get in touch with different customs and cultures.

Reflection

- 3.1.18 Although a library lesson has been proposed for all levels starting from this year, the curriculum framework for reading still have room for improvement. The collaboration between librarians, reading lesson teachers and subject panels need to be enhanced in holistic curriculum planning and additional learning time should be provided to students. Besides, students' presentation skills and collaborative skills also need to be strengthened.
- 3.1.19 We continue to join the Basic Chinese and Maths School-based Curriculum Development Support Programme by the EDB. One of the foci of next year is to provide support to young panels on subject development through regular meetings, peer coaching and empower panels' curriculum leaderships. Panels will start to have a holistic framework planning for subjects. Based on the new policies regarding of new NC Chinese curriculum assessment framework, continue support to our Basic Chinese curriculum development is necessary. Beside, our school tries to integrate life-wide learning in students' different learning experience.

3.2 Priority Task 2: Build up a healthy, caring and loving culture in the campuses

Achievements

- 3.2.1 Our school has won the caring school honour for the fifth consecutive year. It is a tribute to the school's effort in establishing a loving and caring culture in school. Through various school activities across all subjects, students, parents and teachers have been building a strong sense of belonging towards school.
- 3.2.2 To build up a caring and loving school culture, Fruit Day, Salute to Teacher Campaign, Physical Fitness Day, PLK Special Dressing Day, PLK Charity Walk cum Carnival, PLK Flag-selling Day are held in our school. Last but not least, our school applied for the Community Care Fund: Lunch subsidy and learning activities outside Hong Long, to subsidized students in need. We invited three HK Spirit Ambassadors to have sharing with students with students and parents.
- 3.2.3 In reinforcing home-school cooperation, more than 260 parents and students joined the farmhouse visit. We also organized a parent workshop to share about students' attention, and encourage the donation of old storybooks and uniforms to school. This year, we had a strong team of parent volunteers participating in the Campus Painting Campaign, Sports Day, VA show and festival Celebrations. 58 parents were awarded the Kowloon City and Yau Tsim Mong Volunteers Commendation Ceremony and the 12th Kowloon City Schools Outstanding parents Commendation Ceremony. In this year, Mrs. LUK, our PTA Chairlady awarded "the 3rd of Hong Kong Top Ten PTA Leaders". In our parent volunteers' database, 400 parent volunteers registered and the total number of hours of volunteering services was more than 2,490 hours this year. 92.6% of parents agreed that the school often invites parents to participate in school activities. Mr. LI See-chit was the officiating guest at our Sports Day with PLK Madam Chan Wai Chau School. He led all LMCites in singing and dancing to our theme song.
- 3.2.4 In order to build up a caring culture and team spirit among teachers, our staff always enjoys participating in Po Leung Kuk Affiliated Schools Staff Sports Competitions, such as volleyball, soccer and basketball competitions. This year, our school staff sports team was awarded the 3rd Runner-up (Male group), 1st Runner-up (Female group) in the "PLK Staff Basketball Competition" and 1st Runner-up (Female group) in the "PLK Staff Soccer Competition".
- 3.2.5 We organized the "Understanding Adolescence Project-UAP" for P.6 students. Some programmes such as emotional and communicative training which aimed to help students develop their living skills, mental health, target setting and social skills through organizing counseling groups and camping. To cater for the special need of our students, our professional

social workers held a workshops and student development training for their social development, emotion management and group relationship. Moreover, 12 students were chosen to be school ambassadors in the “Smiling ambassadors: Smiling in the school scheme” for the promotion of dental care.

- 3.2.6 The School organized leadership training day camp for P.1 and a 4-day-3-night training camp for P.4. The elements of love, care, thanksgiving and perseverance are integrated. In November, our P.4-6 students participated in a trip to go to Qingyuan, Guangdong, organized by EDB to villagers. Students learned farming and donated daily living products to demonstrate our love and care for others.
- 3.2.7 A newly introduced Student Award Scheme (SAS) helped students build up their commitment to their academic and behavioral standard. The students with the most points are given the “Student of the Month” award, ensuring for their willingness to learn and serve others. This year, 75 students received (SAS) awards from the school.

Reflection

- 3.2.8 In next year, our school will organize different activities to let students to learn how to love and take care for others. We will revise the framework of our moral education and Whole-person Development Lessons. Besides, we will put more emphasis in health education such as organizing Wellness month to promote healthy diet and foster students’ healthy eating habits.
- 3.2.9 The school will do more promotion on the school, educational exchanges for teacher professional development and school development. The number of classes will increase to 23 classes next academic year, as the school will recruit more teachers. The school is going to restruct the school organization into different departments, strengthen the teaching team spirit and provide more support for teachers to improve the working atmosphere. To reduce the workload of the teachers about administrative tasks, the school will hire more assistants to help the development of ECA and IT. We hope to provide a better learning environment for students by increasing our expenditure in construction and facilities improvement in the summer vacation.
- 3.2.10 Caring for parents can be enhanced and parents were invited and encouraged to attend a range of celebrations and learning experiences, including parent-teacher meetings, information and ideas sharing sessions, so the school always maintains a good relationship with them.
- 3.2.11 Our school will organize more class level meetings which include class teachers, subject teachers and social workers. It focuses on students’ current personal growth.

3.3 Priority Task 3: Improve Information Technology Tools and Learning Platform

Achievements

- 3.3.1 All students can access the Internet at school and use the website links for self-learning. Our school established new subject webpages with web-based learning resource links for students' learning.
- 3.3.2 Our school completed the second phase of school Intranet system and platform. The Intranet provided for students and teachers to incorporate interactive learning in the next academic year. School purchased new computers, monitors, visualizers and interactive whiteboards for students and teachers to optimize the learning and teaching environment and enhance the efficiency of learning and teaching.
- 3.3.3 The stability and speed of the network and server systems were upgraded, new servers were installed as improving the network infrastructure.
- 3.3.4 Students' records and teachers' records are inputted in both WebSAMS, school-based server and E-services for the ease of data management.

Reflection

- 3.3.5 School has made some new webpages on school website for students' and parents' reference. The contents of other webpages such as school prizes will be updated in the next academic year.
- 3.3.6 School launched the final phase of school Intranet system and platform. Intranet accounts and interactive platforms will be provided for students and teachers to share learning materials in the next academic year and WebSAMS will be applied for making report cards.
